

## PE

This term PE will be on Wednesdays — please make sure your child has the correct PE kit in school.

## Reading

Please keep up the great reading with your child at home. They could try searching for the tricky words in their books at home.

## Values

At The Croft we focus on a value a month. So far we have done Respect, Happiness, Love, Hope and Unity. This term we shall find out about Thoughtfulness.

## Term 3

### Do-you-think-he-saurus ?

This term is going to be great fun and will involve lots of investigation. The children will begin to learn phase 3 of our letters and sounds phonics programme. Phase 3 contains lots of new digraphs and a tri-graph. We will still continue to recap the sounds learnt in phase 2. We will keep practising writing simple words so that we become more confident. If you feel you would like any help or to ask questions about reading please just ask!

This term's topic was chosen as we saw how much the children loved finding out about dinosaurs when the Science Dome came to visit the School. So we have planned activities to suit their interests and get them engaged in their learning. The children will get to discover what life was like when Dinosaurs walked the earth!

Reception parents are invited to attend Friday morning celebration assemblies from term 2 onwards.

We will be hosting a parent open morning where you will be able to join your child in their learning for that morning. You will receive a letter with more information regarding this.

Please follow us on Twitter for weekly fine motor and maths at home activities — @thecroftprimary or @aknight\_amy or @Jasmine\_S90

Thank you for your continued support.

#### Dates to remember...

30th January— Parents open morning via invite
