

## Writing -Term 5 Week 1 - The Environment

Animation – **The Windmill Farmer** (Literacy Shed)

Key Learning Focus – **expanded noun phrases**

Writing task – **Instructions**

Description - **Write a detailed set of instructions on how to plant a seed. You must include expanded noun phrases and imperative verbs. Use the information in the video showing you what you need and the step by step method. You will also be able to see an example set of instructions.**

Model – **This is just an example model on how to start your instructions. They are not complete.**

### How To Grow A Plant

Have you ever wanted to grow your own delicious food? Perhaps you want to grow a massive tree and build a fort in it. Either way, it'll have to start small and these instructions will help.

#### What You'll Need

- Fresh soil
- Small growing pot (one per seed)
- \_\_\_\_\_

Method

1. Scoop the soil into the growing pot and fill it up to the line. Make sure it's not too full.
2. \_\_\_\_\_
