1. Introduction

1.1. Statement

The White Horse Federation (TWHF) “The Trust” has a duty to ensure the school receives all the funds to which it is entitled. This policy has been created to ensure the appropriate procedures are in place to deal with debts and the recovery of assets. It encompasses all debts owed to the school including, but not limited to, payments for goods, services, school trips and school meal payments.

1.2. Aim and purpose

This policy aims to help our schools to adopt a consistent approach to debt with a view to eliminating it completely. It provides clarity and consistency in managing debt and will also help parents and carers clearly understand what is expected.

1.3. Who it applies to

The policy applies to all parents/carers of children who attend a White Horse Federation school.

2. Policy

2.1. Description

The services provided by school are no different to those provided by any other business and the meals and other services must be paid for.

Most parents understand that they cannot take their child to a cafe and expect them to be given food without paying or to a music teacher who will teach their child free of charge. However, a minority of parents do not pay on time for services offered by the school. This puts the school in the position of subsidising a few families with funding that should be spent on the children’s education, as well as causing considerable extra work for office staff and therefore further cost to TWHF budget.

TWHF does not accept debt. Schools can only offer free meals to children whose parents qualify for Free School Meal (FSM) entitlement. Every other meal and service for which there is a charge must be paid for. The ParentPay system is now in use for most services offered by the school to make payment easier.

Parents are required to pay for all services provided by the school in advance by making an online payment to their child’s account on the ParentPay system or at any shop displaying the PayPoint logo. On the ParentPay system, separate payment items are listed for every child, for example, lunches, breakfast club, after school club, nursery. Parents can choose how frequently they make payments to the ParentPay accounts. This could be weekly, monthly or termly.

TWHF is invoiced for residential trips, meals and music lessons and has to pay for staff to run the Breakfast & After School Clubs, so it is essential that sufficient funds are available. If there were insufficient funds from those who use these services then TWHF would have to cover the shortfall from the budget it is given for all children. That would be unfair, illegal and unsustainable.

Parents who are experiencing difficulty in paying for a chargeable service offered by the school should inform the school office immediately. In most circumstances a payment plan can be agreed to help parents clear their debt to the school as soon as possible. Large debts left unpaid may be passed to a professional debt collection firm to legally recover.

2.2. Compliance

Only those that have complied with the terms and conditions are authorised to use the facilities and this includes how TWHF expects any user to comply with our safeguarding policy.

3. Key steps in the process

3.1. Roles and responsibilities

- The Principal has responsibility for the operation of this policy on the school site.
- The Senior/Pupil Services Officer will operate the day to day administration and ensure compliance.
- The Associate Pupil and Business Services Director will review the policy on an annual basis.

3.2. Procedures

- A copy of this debt policy is available on the school web site.
- All services provided, including residential trips, day trips, school lunches, academic tuition, music tuition, instrument hire, breakfast and after school club places must be paid for in advance
- No child should be sent to school without money in their account and expect to be given a meal, music lessons, a place on a residential or day trip, access to Breakfast or After School Club care.
- Parents who don't want their child to have a school lunch, should provide a healthy packed lunch

Waiving of Debts

The waiving of debts is at the discretion of the Executive Principal and the Chief Operating Officer. A debt may be waived when it is believed the debtor is experiencing serious financial hardship. Please contact the school if you feel this applies to you.
