Dear 1M,

Congratulations you are now at the end of Week 1.

I hope that you and your families are keeping safe and well.

Unfortunately, this letter is being sent from my home and we are not in school but let's hope that we can come back together soon.

Have you enjoyed this week's home learning? I hope that you have had great fun completing the activities with your families. I also hope that you have been making the most of the lovely weather and enjoying your daily exercise.

In the Mazzotta household this week we have been celebrating my son's birthday. Although he was not able to have his party, we did play party games and ate lots of chocolate cake, this was followed by a family sleepover with popcorn and a movie, how exciting!

Also, this week we have made a card to send to Captain Tom for his 100th birthday. What a wonderful way of raising a huge amount of money and such a good cause!

Tomorrow my family and I plan on dressing up for the Joe Wicks fancy dress workout. Last week I was Rambo, ask an adult if you do not know who he is. This week I am taking part dressed in my Olaf costume! I wonder who you will be if you are taking part? Send me a photo if you can!

Mrs. C-T has asked me to let you know that she misses you all and she especially misses watching The Wiggles with you, she has no one to watch

The Croft Primary School | Marlborough Lane | Swindon | SN3 1RA

it with now! Mrs. Alves misses singing her lovely songs to you all, and your happy smiling faces.

I hope that you have a lovely weekend. I miss you all. Keep smiling and being the kind, wonderful children that I know you are.

Take good care.

Mrs. Mazzotta xx
