Dear 2B,

I hope you are all doing well and that you had a great Easter break with your families. I have been so impressed with all the learning I have seen so far. You have been showing so much creativity and it's great to see. You should be very proud of yourselves.

During the Easter holidays, I have been keeping busy helping out around the house. I have been doing lots of cleaning and organising (which is my favourite thing to do!). I have also been trying to be fit and healthy by going for walks and sometimes runs during my daily activity time. It's very tiring, but I know it will help my fitness and it is definitely needed after all the chocolate I have been eating. I even gave myself a haircut! This was a tricky challenge to make sure I did not look silly, but I managed it!

Next week, I am going to draw a rainbow for my window to show my support for the key workers helping us stay safe. I am also going to continue doing my daily exercises and making sure I keep myself busy.

The new Home Learning activities look fantastic and I can't wait to see the work you have been completing this week. Make sure you keep being amazing, stay safe and enjoy your time at home.

See you soon,

Mr B
