Principal : Elaine Murphy

Dear 2B,

I hope your first week of Term 5 went smoothly and that you have enjoyed the brilliant learning available to you. I have been super impressed with what you have to show. Please continue being amazing!

This week, I have been spending lots of time outside in the sun, reading, listening to music and podcasts. I have also been making sure I am keeping in touch with family and friends. I drew a picture of a rainbow and stuck it on my window as a show of support for the key workers out there!

I decided to do a bit of DIY in my bedroom on top of more organising. I painted my bedroom walls, which was hard-work to make sure I was doing a good job but it was very rewarding.

I have a Skittles (my cat) story for you: I went into the garden to call him in from his day of adventures, when suddenly a large, brown thing ran in front of me with Skittles chasing after it. It was a hedgehog! I spent 10 minutes trying to convince Skittles to leave the hedgehog alone and luckily, he listened and came in for food! The hedgehog was then able to roam our garden!

Parents, thank you for all the hard-work you are putting into the lessons at home. If you have any questions or queries feel free to Tweet or email me.

Stay safe!

Mr B
