Dear 2FR,

Well done 2FR for working so hard on your home learning. I hope you are enjoying the activities. It makes me very proud to see all the work you have been doing. Did you enjoy the story 'Dear Greenpeace'? What activity was your favourite this week?

Home learning is very different to learning at school, but you are doing such a fantastic job.

This week my daughters and I have been organising a teddy bears picnic with all of their toys. We have made invitations and decorations. We also baked a cake especially for the occasion, I hope they enjoy it.

We have been out on some walks, and Olivia has been practising on her scooter. She is getting very fast now, it scares me a bit!

Please keep tweeting and emailing me all the activities you have been up to.

Stay safe,

Mrs Foley
