Dear 3M,

I am missing you all lots! It feels very strange to be at home and not at school helping you with your learning, but I am making the most of staying at home and staying safe.

I've been out for daily walks with my family, we have been exploring the local area. We've seen woods with lots of springtime things including beautiful bluebells, cute lambs and inquisitive calves as well as trying to negotiate through stiles covered in stinging nettles! I've also been doing PE with Joe Wicks most days, I think I'm getting fitter, I hope you've been doing some fitness activities too. I've also been doing some baking and lots of reading both to learn from and just to enjoy. I would really love to hear about the books you've been reading, perhaps you could do a blog on Purple mash to share the books you've enjoyed.

I hope that you have been accessing the learning on the website and had a go at writing a story about The Windmill Farmer, or maybe some instructions for growing a seed and then followed those instructions. Have you had a go at one of the Learning Project tasks? I think my favourite is watching David Attenborough documentaries as I love finding out about different animals and their habitats, although Cosmic Yoga is nice for relaxing too.

Thank you for your lovely emails, photos and twitter messages! It's so lovely to see your beautiful faces and the things you have been up to; they really cheer me up and make me smile but also make me miss you even more! Please keep sending them.

Stay home and stay safe 3M!

Love from,
Miss Mitchard
