Dear 4B,

How has your week been? I'm still missing your faces lots but hopefully you're all making the most of the situation.

There has been some fantastic work done and shared from the home learning resources on twitter and purple mash. Thank you so much for letting me have a look at all your amazing work! I'm so proud that you're all remembering to put in your fronted adverbials and expanded noun phrases without me having to sing our songs at you to help you remember! I know some of you particularly love those songs... ;)

My flute playing is going well. So far, I have learned 6 notes to play and am going to learn a few more notes today after I have done my school work. I have also tried to make the most of the sunshine and have been sunbathing, reading and doing Sudoku puzzles in my back garden.

Hopefully, the weather will go back to being lovely again and you can continue your learning outside. Don't forget to take breaks and have fun!

Stay home and stay safe.

Love from,
Mrs Britton x
