Principal : Elaine Murphy

Dear 4C,

I hope you are all well and enjoying your home learning activities and challenges. I also hope you all had a lovely Easter holidays and enjoyed eating lots of yummy chocolate. I am missing you all so much but it's important to remain at home and remain safe during these uncertain times.

Whilst I've been at home, I have been going on plenty of walks, exploring my area and finding lots of new paths, beautiful woodlands and even a small river that I went paddling in. I have also been doing lots of baking. I've been making lots of different cakes including lemon drizzle cakes, a coffee cake and blueberry muffins which have all been delicious. I have also been doing lots of reading and I have currently read 6 books. My favourite genre to read is fantasy fiction books. Let me know what you have been reading, I would love to know! Finally, I have also been busy in my garden, planting some new flowers, mowing the lawn regularly and creating a 'bug hotel' for all the insects and bugs in the garden. I currently have 3 snails in my hotel.

I hope that you are all enjoying the home learning activities that has been set for you. I am excited to see pictures of your work to do with the learning project! Make sure you get your parents or carers to send pictures to me via Twitter or email of your lovely work and activities that you've been up to. I really miss you all and I hope we can all see each other again soon!

Make sure you stay home, stay safe, and enjoy your home learning 4C.

Love from,  
Mr C
