Dear 4C,

I hope you are all well and keeping busy with the home learning. It has been lovely to see so many of you sending me photos of your smiley faces and your brilliant home learning work. It's fantastic to see such an amazing attitude towards your home learning, so please keep it up and keep sending me your work!

This week, I have been busy with lots more baking and cooking. I've been baking bread and coffee cake. I adore coffee cake. I've also been practising my cooking skills, making lots of chicken dishes such as homemade chicken curry, chicken and chorizo ragu and sweet and sour chicken. They've all been delicious. Even though the weather has not been great, I've also been going on plenty of walks throughout the week, finding a local nature reserve that is home to so many different, wild animals.

I've also spoken to Mrs Randell this week and she wanted to say that she is missing you all loads and that she hopes you are all continuing with your reading at home as she is looking forward to listening to you all when we are able to go back to school.

Hopefully, we will all see each other again soon. Missing you all loads and please take care and stay safe.

Love from,
Mr C
