

# Maths Marking Symbols

## Maths Marking Symbols

These are some of the symbols that we use when marking and giving children next steps and challenges. They act as a visual aid and work alongside our marking and feedback policy.

**Use a resource to help you.**

$$4 + 2 = 6$$

**Show your working.**

**Practise your number formation.**

1 2 3 4 5

**Write one number in one square.**

**Use the 'Stuck Zone'/Maths area.**
