Dear RM,

I hope you are all ok and having lots of fun learning at home. I am missing you all lots and can't wait to see you all again hopefully soon. I bet you are all impressing your adults with how fantastic you are with your school work. Learning at home is different to being at school, but you are all doing a brilliant job. I hope you are all listening to your adults just like you would listen to me.

I have been busy at home looking after my cheeky puppy. He has certainly kept me busy as he can get up to mischief! I have also been busy learning to cook and bake with some new recipes. This week I cooked a meal from a different country. I made a Greek dish called Beef Stifado, and it was really yummy. We have created a timetable of challenges for this Term. Your challenge for week 2 is to have a go at cooking a meal from a different country. You could even practise writing up the recipe yourself. What numbers do you notice on the recipe?

Please keep sending me photos/videos of what you have been up to at home. I love seeing them as it brings a smile to my face.

Stay safe at home

From
Mrs Heath
