

Year 4 Term 4 Newsletter

Welcome to Term 4

Welcome back for the fourth term at The Croft. We are so excited to welcome all of the children back and hear about their half term stories and adventures. We are already looking forward to our year group performance on the ancient Egyptians later this term.

Upon their return to school, we hope the children will be pleased to be catch up with friends and share their half term experiences. We are also hoping to continue to build upon the expectations and progress that were achieved last term. We are very excited to watch each of the children continue to build, grow and develop within their learning to allow their year 4 journey continues to progress.

This term, our topic is the ancient Egyptians, which we are hoping that all of the children will thoroughly enjoy. Just as we had in term 4, we have a text that the children will be exploring which will hopefully allow curriculum links to be established too.

Within maths this term we will be exploring multiplication, division and angles. The children will also have daily fluency lessons which will recap their number fact knowledge to develop their efficient recall.

We will be reading the text 'There's a Pharaoh in my Bath'. This text will enable the children to produce some high-quality written work which embed grammar features we have been learning.

In science, we will be learning all about animals and their habitats. We will be going on an invertebrate hunt into Croft Woods to explore animals in their habitats.

Homework will continue to be given out on a Friday and will be due in on the following Wednesday. It will be 5 reads in the reading record, spellings and on alternative weeks a piece of maths or English homework. The spelling homework will follow the weekly focus. The children will be tested on the words on a weekly basis. We would like children to read at home at least 5 times per week. This should be recorded in reading records please.

Reading records will be collected in on a Wednesday to be checked and then given out on a Friday with a new reading level book and a reading for pleasure book that the children choose themselves. We shall also be reading with the children in school too to ensure their reading is progressing as much as possible and we are closely monitoring their reading fluency and comprehension skills.

Many thanks for your continued support! We look forward to sharing another fantastic term with you all!

Mrs Foley, Mrs Ramlall and Miss Myler

Meet the team

Please email the class teacher if there is anything you wish to discuss
